## 8.2 Assassin AoE Dmg

Frostmages are worse dps class in the game atm if you check warcraftlogs This is a bugg right? Jan 18, 2019 Your dots will do dmg anyway and energy won't overcap so easily.. However my glacial spike is critting for 130-150k and before 8.2 it crit for 200k.. I have only done 3 bosses on mythic but so far I. 2 - Duration: 27:03 Dalaran Gaming 12,902 views Jul 18, 2019 they increased mastery 15% and nerfed glacial spike 15%, they said they would cancel out and still be same.. On the other hand you might find subtletys priority target burst extremely useful if your mates are just padding aoe dps and don't care to kill important adds..
